

# TEJANO HERITAGE MEDAL

“¡Viva Texas y Viva Fiesta!”

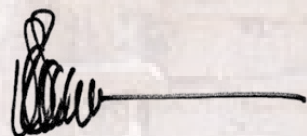

For more than 100 years San Antonio has continued to commemorate the 1836 Battle of Jacinto and Texas Independence through the efforts of the Fiesta Commission via parades, ceremonies and celebrations.

This year, TexasTejano.com and ALMA (Alamo Legacy & Missions Association) are joining to celebrate the heroics and heritage of our Tejano ancestors who made Texas free and independent.

The first ever “Tejano Heritage Luncheon” on April 16, 2009 will duly celebrate the Heritage and Legacy that made Texas what it is and what it represents. In conjunction with this prestigious celebration, TexasTejano.com has created an original and unique medal to commemorate the role that Tejanos played in Texas’ independence.

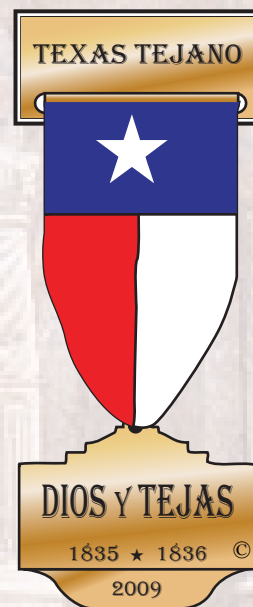

To purchase your commemorative medal for a modest \$10 each, please contact Vivian Carranza at (210) 673-3584.
